

# Mystical Forest

## Kevin Allan

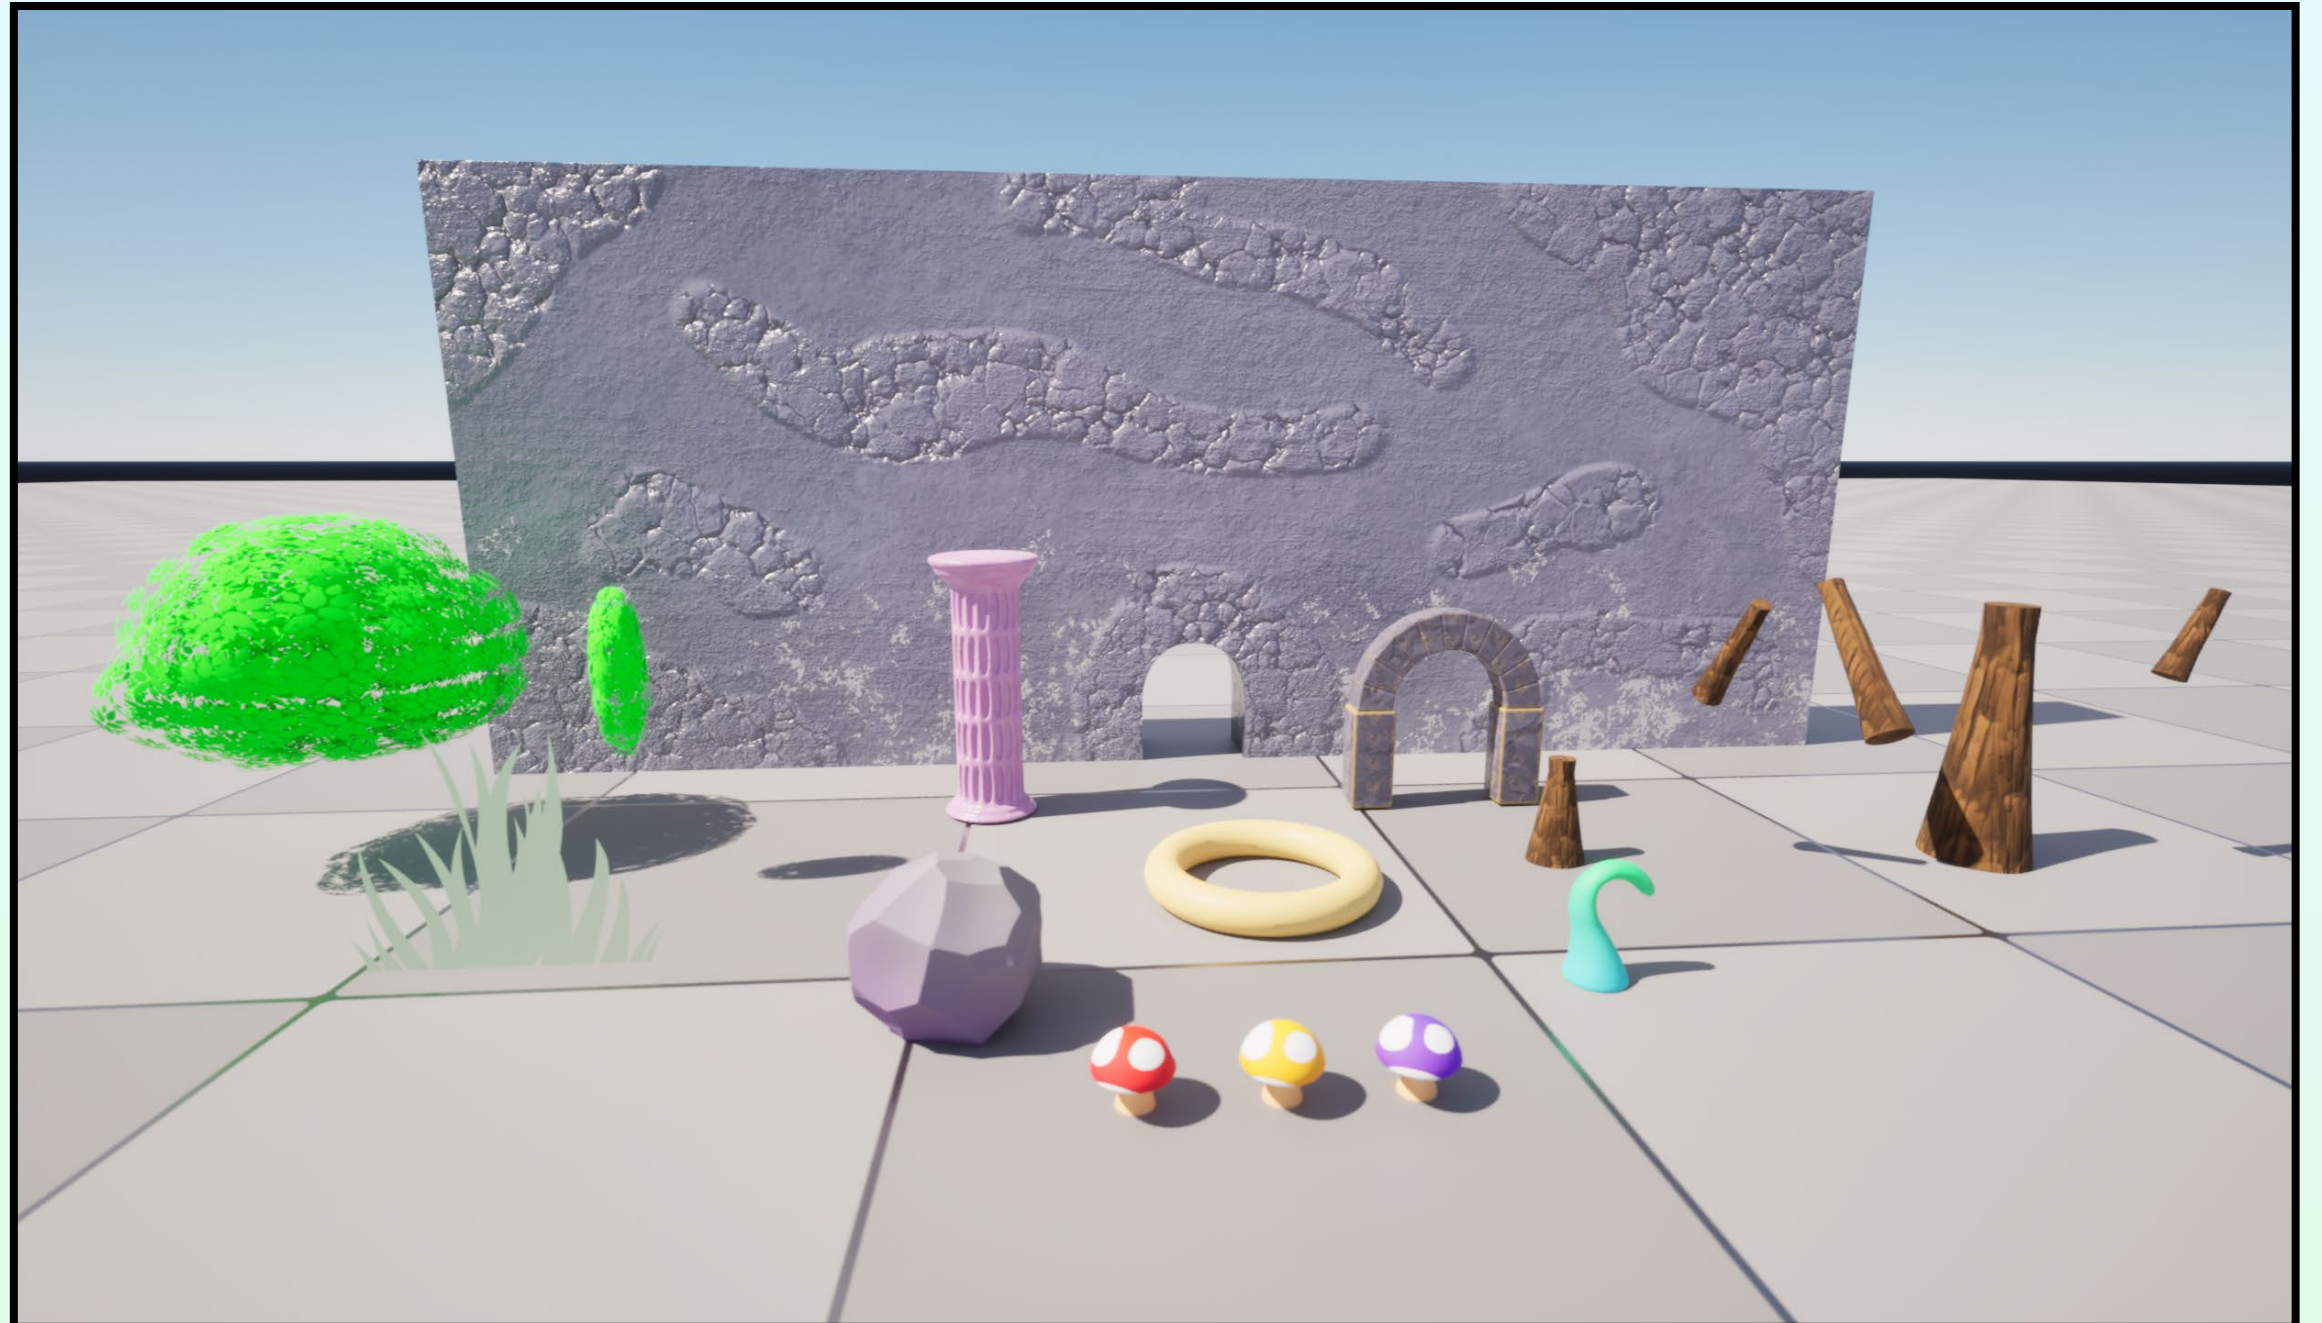

### Description

The setting is on Earth in 2657, where magic exists and technology has fully advanced. Many people can obtain magical abilities, and when they need to train and test their powers, they go to a specific forest area in the hidden exit of the crystal palace that is the center of their land known as Gemstone. They made an arena out of the pathway while installing pillars and a circular metal crystal platform with the symbol that defines their land. Anyone goes to this spot to maximize the fullest of their sorcery.
